Readers, please note

This annual index is intended as a guide to information published in 1974 in the *Bulletin of the European Communities* and in the *Eighth General Report on the Activities of the Communities (1974)*. Bulletin Supplements published in 1974 are quoted under the relevant subject matter.

Numbered texts are referred to by the serial number of the 'point'. Thus a Bulletin reference '7-8/2334' means Bull. EC 7/8 - 1974, point 2334. References to the General Report are indicated by the letters 'GR'. Thus 'GR 347' means General Report, point 347. The letter 'S' refers to Bulletin Supplements.
