DOCUMENT 376/75

MOTION FOR A RESOLUTION

tabled by Mr GIRAUDO,
on behalf of the Political Affairs Committee

with request for debate by urgent procedure
pursuant to Rule 14 of the Rules of Procedure

on the Resolution of the General Assembly of the
United Nations on Zionism

-----oOo-----

The European Parliament,

- deeply concerned at the result of the vote of the General Assembly of the United Nations of 10 November 1975 on the Resolution on Zionism;
 - regretting that this vote further reduces the prestige of an organization which may lose all respect for its universal vocation in the service of world peace;
1. Supports the nine governments of the Community, which unanimously voted against this resolution;
 2. Itself condemns, in the name of the peoples of the European Community the incomprehensible and absurd equation of Zionism with racism, as well as the moral and political consequences which are not conducive to the achievement of a peaceful co-existence for the people or, in particular, the creation of peace in the Middle East;
 3. Instructs its President to forward this resolution to the Council and Commission of the European Communities, to the President of the General Assembly of the United Nations and to the parliaments and governments of the Member States.
