- with request that it be dealt with by urgent
procedure pursuant to Rule 14 of the Rules
of Procedure -

on the execution of Salvador PUIG ANTICH.

The European Parliament,

- moved by the recent dramatic events in Spain,
 - noting with concern the new harder line taken by the Spanish régime, the most recent example of which is the threat to expel the Bishop of Bilbao, Monseigneur ANOVEROS ATAUN,
1. Condemns the execution of Salvador PUIG ANTICH, who was tried by emergency courts,
 2. Protests against the repeated violations by the present Spanish régime of fundamental human and civic rights, and against the lack of regard for the democratic rights of minorities,
 3. Denounces the anachronistic nature of such methods of government in a Europe which is seeking a free and democratic path towards unification,
 4. States that such action and the régime responsible for them can only retard Spain's accession to the Community,
 5. Instructs its President to forward this resolution to the Council and Commission of the European Communities and to the governments of the Member States.
