to the Council of the European Communities

Subject : Association with Cyprus

- With reference to Article 14 of the Agreement
establishing an Association between the Republic
of Cyprus and the European Economic Community,
- having regard to the declaration of the President
of the French Republic of 27 August 1974 to the
effect that the inadequate political organization
of the Europe of Nine has allowed a conflict to arise
in which three Associated States are involved,

we ask the Council of the European Communities :

1. Will the Council propose a meeting of the
Association Council in order to put forward
solutions to the political problems threatening
the implementation of the EEC-Cyprus Association
Agreement ?

2. Is the Council prepared to propose that the Foreign Ministers of the Nine should formulate a joint plan for a peaceful solution to the political crisis in Cyprus, which representatives of the Community could put before the Association Council ?
