PE 39.550

The European Parliament,

- extremely alarmed at the recent statements made by Dr KISSINGER and Mr SCHLESINGER and endorsed by the President of the United States, concerning the possibility of armed intervention in the oil-producing countries of the Middle East,
- 1. Condemns all threats and recourse to force as a means of solving international differences;
- 2. Reaffirms the need for negotiations based on recognition of the principles of
 - national independence
 - each country's right to dispose of its own resources
 - mutually beneficial cooperation;
- 3. Instructs its President to forward this resolution to the Council and Commission of the European Communities and to the Governments of the Member States.
