PE 42.172

The European Parliament,

1. Deplores the recurrent creation of surpluses, be they mountains of butter or milk powder or lakes of wine, as expensive and unhelpful to EEC taxpayers ;
2. Condemns the methods of disposal by subsidising the consumers of Russia and other nations ;
3. Condemns such surpluses and disposals as immoral in a world in which so many people are starving;
4. Instructs its President to forward this resolution to the Council and Commission of the European Communities.
