The European Parliament,

- having taken note of the outcome of the meeting of the Council of Ministers on 7 October 1975 concerning the preparation of the Paris Conference to be held between the industrialized countries, the oil-producing countries and the developing countries, and especially the announcement that a Member State would be individually represented,

2. Is convinced of the need for the Community to speak with a single voice on such occasions;
3. Urges all Member States to concert their views in preparation for the conference on international economic cooperation;
4. Instructs its President to forward this resolution to the Council and Commission of the European Communities.
