PE 41.547

The European Parliament,

- alarmed at the latest terrorist attack in Jerusalem, for which the PLO has claimed responsibility,
- 1. Condemns all use of force to solve political problems;
- 2. In this spirit, warns against the danger which continued terrorist activities constitute for world peace and for Euro-Arab relations;
- 3. To preserve the untroubled nature of these relations, invites the Council and Commission of the European Communities to convey this sentiment to their partners in the Euro-Arab dialogue and to ask the PLO to renounce the use of violence which always breeds violence;
- 4. Instructs its President to forward this resolution to the parliaments and governments of the Member States and to the Council and Commission of the European Communities.
