NOTE FOR THE READER

This index is a documentary guide to the contents of the Bulletin of the European Communities in 1972. The index covers two of the three parts of the Bulletin, Part One *Features and Documents* and Part Two, the classified survey of *Community activities* during the month under report. The arrangement of the index here follows the pattern of this second part. In addition, the special supplements published in 1972 are mentioned under the appropriate heading.

For the numbered text it is the serial number quoted as reference; in other cases the Index refers to the page of the Bulletin.
