COMMISSION OF THE EUROPEAN COMMUNITIES

COM(75) 228 final. Brussels, 28 May 1975

Proposal for a COUNCIL DIRECTIVE

amending the Commission Directive 73/95/EEC of 26 March 1973 applying Articles 13 and 14 of the Council Directive of 4 March 1969 on the Harmonisation of provisions laid down by law, regulation or administrative action in respect of inward processing.

(submitted to the Council by the Commission)

EXPLANATION

- 1. The entry into force of Commission Directive 73/95/EEC, of 26 March 1973 (1) applying Articles 13 and 14 of the Council Directive of 4 March 1969 (2), on the harmonisation of provisions laid down by law, regulation or administrative action in respect of inward processing, as last amended by Commission Directive 74/508/EEC of 30 September 1974 (3) is foreseen for 1 October 1975.
- 2. During meetings of the Inward Processing Committee several delegations have indicated that Directive 73/95/EEC does not correspond to current needs, having been drawn up before the enlarging of the Community.

 Moreover, it has been suggested that the administrative procedure provided for in the control directive will create administrative complications and difficulties out of all proportion to the intended aim.
- 3. The control directive (and the basic Directive) mentions "customs duties, charges having equivalent effect, and agricultural levies". The charges provided for within the framework of the common agricultural policy or of trade systems as defined by Regulations Nos. 170/67/EEC and (EEC) 1059/69 which are not called "agricultural levies" should be set out in an unambigu us way.
- 4. The current presentation of form INF.-1 should be revised to allow the communication of the amount of customs duties to be taken into consideration for the calculation of the compensatory levies eventually due, in order to allow interested parties to choose between the payment of the customs duties in the country where processing takes place, and the compensatory levy.
- 5. The majority of the delegations in the Inward Processing Committee have expressed themselves in favour of a postponement until July 1st, 1977, of the date on which the Directive, after modification, must be implemented. on which date the common customs tariff and the unified ECSC tariff will be applied in full by the new Member States; the application of the Directive before July 1, 1977, would run into considerable difficulties. A prolongation of the period until June 30, 1977, is considered necessary.

Proposal for a Council Directive of amending the Commission Directive 73/95/EEC of 26 March 1973 applying Articles 13 and 14 of the Council Directive of 4 March 1969 on the harmonisation of provisions laid down by law, regulation or administrative action in respect of inward processing.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,
Having regard to the Council Directive No 69/73/EEC (1) of 4 March 1969 on
the harmonisation of provisions laid down by law, regulation or administrative
action in respect of inward processing as last amended by the Act (2) annexed
to the Treaty (3) on the accession of new Member States to the European
Economic Community and the European Atomic Energy Community signed at Brussels
on 22 January 1972, and in particular Article 28 thereof;

Whereas the Directive (4) applying Articles 13 and 14 of the foresaid Council Directive, which the Commission adopted on 26 March 1973, makes provisions in Article 7 for entry into force not later than six months after its notification;

Whereas the notification took place on 6 April 1973;

Whereas the Council adopted on 27 June 1974 a resolution on the measures to be taken to simplify the task of customs administrations (5); whereas it is proving that the correct application of the application Directive of 26 March 1973, in particular as a result of the enlargement of the Community, would involve administrative difficulties; whereas consequently there are grounds for revising the present text of that Directive in order to simplify its application;

Whereas import duties and taxes having equivalent effect between the Community as originally constituted and the new Member States, and between the new Member States themselves, will be abolished on 1 July 1977 on which date the common customs tariff and the unified ECSC tariff will be applied in full by the new Member States; whereas the application of the Directive of 26 March 1973 before 1 July 1977 would run into considerable difficulties;

Whereas the period allowed to the Member States to put into effect the necessary measures to conform to the application Directive of 26 March 1973 has already been prolonged several times by Commission Directives (1); whereas this period expires on 30 September 1975;

Whereas for the reasons mentioned above a prolongation of the period until 30 June 1977 is considered necessary;

Whereas it is advisable in a desire for clarity, and having regard to the Council resolution of 26 November 1974 (2) on the codification of legal acts, to proceed to bring up to date the text of the application Directive of 26 March 1973 in its entirety; whereas there are grounds in order to do this, to include in a single text not only those parts which are to undergo or have undergone amendments, but in addition those parts which remain unchanged; whereas as a result in the application Directive referred to above as last amended by the Commission Directive No 74/508/EEC of 30 September 1974, it is advisable to replace the Articles and the Annex by the Articles and Annex to this Directive, including in their entirety the provisions to which the Member States must conform;

Whereas without a favourable opinion from the Inward Processing Committee the Commission has been unable to adopt the provisions proposed in this respect under the procedure laid down in Article 28(3)(a) of the abovementioned Council Directive of 4 March 1969;

HAS ADOPTED THIS DIRECTIVE:
