(1) These services have been provided by the Member State on a net basis. This has had the effect of underestimating the credit and debit flows.

(2) Data for 1996 and earlier is based on BPM4 totals and is not consistent with either 1997 or UK published estimates, which are based on BPM5.

\* Eurostat estimates until 1996

(1) These services have been provided by the Member State on a net basis. This has had the effect of underestimating the credit and debit flows.

(2) Data for 1996 and earlier is based on BPM4 totals and is not consistent with either 1997 or UK published estimates, which are based on BPM5.

(3) Excluding reinvested earnings until 1994
