## DRAFT COUNCIL REGULATION (EEC)

temporarily suspending the autonomous common  
customs tariff duties on a number of agricultural  
products

---

(submitted to the Council by the Commission)

COM(79) 246 final.

## EXPLANATORY MEMORANDUM

1. The subject of the following draft regulation is the temporary suspension of duties in the Common Customs Tariff for a number of agricultural items, as requested by the Member States.

It is partly a prolongation and partly a new measure.

2. It seems appropriate to the Commission that a duty suspension is justified for the goods listed in the annex to this regulation.

The Commission proposes a total suspension for those products for which Community production does not exist or is minimal. A partial suspension is proposed in cases where the Community production covers only a part of the requirements. The rate of the partially suspended duty depends on the extent of the possible Community supply to the Community users. The Commission is also looking for the right balance between the interests of the suppliers, users and the consumers in the Community.

It also takes into account the need to protect employment.

3. The proposed measures are confined to a fixed period because of the difficulties of estimating the evolution of the basic factors.

4. For a number of items for which the Member States also requested duty suspensions the Commission does not propose a tariff measure because the necessary conditions are not fulfilled. This concerns the following items :

DRAFT  
COUNCIL REGULATION (EEC) :

**temporarily suspending the autonomous Common Customs Tariff duties on a  
number of agricultural products**

THE COUNCIL OF THE EUROPEAN  
COMMUNITIES,

Having regard to the Treaty establishing the European  
Economic Community, and in particular Article 28  
thereof,

Having regard to the draft Regulation submitted by  
the Commission,

Whereas production in the Community of the  
products specified in this Regulation is currently  
inadequate or non-existent, and whereas producers  
thus cannot meet the needs of user industries in the  
Community ;

Whereas in certain cases it is in the interest of the  
Community to suspend the autonomous Common  
Customs Tariff duties only partially, particularly since  
the goods in question are produced in the Commu-  
nity, and in the other cases to suspend them totally ;

Whereas, in view of the difficulty of assessing accu-  
rately short-term trends in the economic situation in  
the relevant sectors, suspension measures should be  
taken only for temporary periods by fixing their

period of validity by reference to the interests of  
Community production,

HAS ADOPTED THIS REGULATION :

*Article 1*

The autonomous Common Customs Tariff duties for  
the products listed in the tables annexed to this Regu-  
lation shall be suspended at the level indicated against  
each of them.

These suspensions shall be applicable :

- from 1 July to 31 December 1979 for the products  
listed in Table I,
- from 1 July 1979 to 30 June 1980 for the  
products listed in Table II,

*Article 2*

This Regulation shall enter into force on 1 July 1979.

This Regulation shall be binding in its entirety and directly applicable in all Member  
States.

Done at Brussels,

*For the Council*  
*The President*
