Brussels, 29 September 1978.

Proposal for a
COUNCIL REGULATION (EEC)
Laying down general rules for the fixing of the import levy on
olive oil by tender

(submitted to the Council by the Commission)

COM(78) 485 final.

EXPLANATORY NOTE

This proposal is aimed at providing general rules for fixing the import levy for olive oil by tender.

For the most part, these rules are those which are already in application, and relieves olives and olive oil by-products because of their little economic consequence, from being subjected to the import levy tendering procedure.
