

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(76) 549 final.

Brussels, 20 October 1976.

Proposal for a

COUNCIL REGULATION

Extending the period of validity of Regulations (EEC)
Nos 1509/76 and 1522/76 on imports into the Community
of prepared and preserved sardines originating in Tunisia
and Morocco respectively

(submitted to the Council by the Commission)

COM(76) 549 final.

EXPLANATORY MEMORANDUM

The transitional arrangements applied to imports of prepared and preserved sardines originating in Tunisia and Morocco expire on the entry into force for Tunisia, of Article 11 of the Interim Agreement or of Article 18 of the Cooperation Agreement between the European Economic Community and Tunisia, and for Morocco of Article 12 of the Interim Agreement or of Article 19 of the Cooperation Agreement between the European Economic Community and Morocco or, at the latest, for both countries, on 31 December 1976.

The Interim Agreements came into force on 1 July 1976, but since the conditions laid down in paragraph 2 of the above-mentioned Articles of the Interim Agreements and in paragraph 4 of the corresponding Articles of the Cooperation Agreements have not been fulfilled it is necessary, in order to avoid any break in the continuity of trade in prepared and preserved sardines with Tunisia and Morocco, to extend the applicability of the present arrangements as a transitional measure.
