REGULATION (EEC) OF THE COUNCIL

amending Regulations (EEC) Nos 2773/75 and 2778/75 in respect of the reference period for the price of food grain for the calculation of the levies and sluice-gate prices for eggs and poultrymeat

(submitted to the Council by the Commission)

EXPLANATORY MEMORANDUM

On 11 November 1975 the Commission forwarded a proposal to the Council to amend the three basic regulations on pigmeat, eggs and poultrymeat in respect of the calculation of the levy and the sluice-gate price. It was proposed to reduce from six months to five months the reference period for feed grain prices which is the basis for the calculation of the levies and sluice-gate prices in the three sectors.

To give effect to the provisions set forth in the abovementioned proposal, amendments must also be made to the various regulations laying down the rules for the calculations of these amounts (Regulations (EEC) N° 2764/75, 2766/75, 2773/75, and 2778/75).

Since the entry into force of the amendments to the basic regulations is planned for 1 May 1976, the three regulations amending the rules for calculation should come into force on the same date.
