## PROPOSAL FOR A COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2101/76 temporarily and totally  
suspending the autonomous Common Customs Tariff duties on a number  
of fresh or chilled vegetables.

---

(submitted to the Council by the Commission)

COM(76) 473 final.

EXPLANATORY MEMORANDUM

The Council on 25 August 1976 adopted a Regulation temporarily and totally suspending the autonomous Common Customs Tariff duties on a number of fresh or chilled vegetables <sup>1</sup>, that suspension being effective until 30 September 1976.

The Commission for its part considers that extension of the suspension beyond 30 Sep 76 is called for and is submitting this proposal to that effect.

As is the case with the Regulation already approved by the Council, the measure envisaged is of an essentially temporary nature and is justified on the same grounds.

For the same reasons of urgency it is proposed to have recourse to Article 103 of the Treaty for the adoption of this measure, subject to its subsequent incorporation into the common agricultural policy.

COMMENTS : 1) The level of the customs tariff is such that the takings are negligible. The total suspension of the customs tariff has thus little effect on the level of the takings of the customs tariff.
