

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(78) 360 final

Brussels, 19 July 1978

PROPOSAL FOR A
COUNCIL REGULATION (EEC) N° /78

extending the period of validity of Regulation (EEC) N° 2862/77 on levies
applicable to imports of certain adult bovine animals and beef from
Yugoslavia

(submitted to the Council by the Commission)

COM(78) 360 final

EXPLANATORY MEMORANDUM

1. In response to the spirit of the joint Belgrade declaration of 2 December 1976, the Council on 19 December 1977 adopted a special arrangement for imports of certain adult bovine animals and beef from Yugoslavia (Council Regulation N° 2862/77).
2. The terminal date for this arrangement was 31 August 1978, as a new agreement relating to trade between the Community and Yugoslavia was due to take effect on 1 September 1978.
3. The state of the negotiating for the new agreement is such that it will probably not be concluded before the end of the year and the present agreement will be extended by tacit consent.
4. Given this situation and the fact that the reasons for the introduction of special arrangements for Yugoslavia continue to apply this special unilateral arrangement should be extended until 31 December 1978.
5. The Commission is also proposing to maintain until 31 December 1978 the 70% levy suspension on imports from Yugoslavia of up to 12 000 heads per quarter of young male bovine animals of 220 to 300 kg intended for fattening.
