COM(75) 555 final

Amendment to a proposal for a

COUNCIL DECISION

concerning a financial contribution<sup>1</sup> by the  
Community to the Foot-and-Mouth Disease  
Institute in Ankara

(submitted to the Council by the Commission  
in application of Article 149 par. 2 of the  
Treaty)

On 13 June this year the Commission submitted to the Council the proposal referred to above. In its report of 19 August (PE 41.165) the Agricultural Committee of the European Parliament delivered a favourable opinion on the Commission's proposal. It suggested, however, that the report, which the Commission will make on the implementation of the Decision, shall be submitted not only to the Council but also to the Parliament. This proposal for amendment was approved by the plenary session of the Parliament on 16 October.

The Commission, convinced by the arguments put forward by the Parliament, proposes that Article 2 of the said proposal is amended to read as follows:

"The Commission shall be responsible for supervising the use of the money referred to in Article 1 and shall report to the Council and to the European Parliament on the implementation of this Decision".
