COM(82) 686 final

EXPLANATORY MEMORANDUM

When Directive 82/400/EEC amending Directive 77/391/EEC and introducing a supplementary Community measure for the eradication of brucellosis, tuberculosis and leucosis in cattle was adopted the Council asked that the other veterinary programmes in progress, at present financed from the Guidance Section of the EAGGF, be transferred to Chapter 38 with effect from the 1983 budget. This requires modification of the texts providing for these programmes and the following proposals make the necessary amendments :

- Proposal for a Council Directive amending Directive 82/400/EEC amending Directive 77/391/EEC and introducing a supplementary Community measure for the eradication of brucellosis, tuberculosis and leucosis in cattle
- Proposal for a Council Regulation amending Council Regulation (EEC) No 1055/81 of 21 April 1981 introducing temporary financial aid from the Community to Ireland for pre-movement tuberculin testing and brucellosis blood sampling of cattle
- Proposal for a Council Decision amending Decision 80/1096/EEC introducing Community financial measures for the eradication of classical swine fever
- Proposal for a Council Decision amending Council Decision 80/1097/EEC of 11 November 1980 on financial aid from the Community for the eradication of African swine fever in Sardinia.
