COM (79) 72 final

Brussels, 16 February 1979

## COMMUNICATION FROM THE COMMISSION TO THE COUNCIL

concerning the establishment for 1979 of the total allowable catch (TAC) for certain fish stocks existing within the Community fisheries zone.

Communication from the Commission to the Council concerning  
the establishment for 1979 of the total allowable catch (TAC)  
for certain fish stocks existing within the Community fisheries  
zone.

Further to its Communication to the Council of the 23rd November 1978(1), the Commission is submitting for examination by the Council the annexed TAC figures relating to stocks which, on the basis of the results of the consultations held in the context of the reciprocal fishing agreements negotiated by the Community with non-member countries and following a further examination, could be envisaged for certain fish stocks occurring within the Community fisheries zone.
