UNIVERSITY OF PITTS

Brussels, 20 November 1981

Proposal for a  
COUNCIL DECISION

on advance payments in 1981 enabling implementation of  
the supplementary measures in favour of the United Kingdom  
to be speeded up

---

(submitted to the Council by the Commission)

Explanatory memorandum

Article 5(2) of Regulation (EEC) No 2744/80 provides that, at the request of the United Kingdom, the Council, acting by a qualified majority on a proposal from the Commission, may decide each year to make advance payments enabling the implementation of the supplementary measures to be speeded up.

On 8 October 1981, the Government of the United Kingdom introduced a request that an advance be made in 1981.

As it is considered appropriate that an advance of 150 MioECU be made to the United Kingdom in 1981, it is proposed to authorise the Commission to make such an advance.
