# COMMISSION OF THE EUROPEAN COMMUNITIES

COM(77) 479 final.

Brussels, 11 October 1977.

Recommendation for a COUNCIL REGULATION (EEC)

- concluding the Agreement between the European Economic Community and the People's Democratic Republic of Algeria concerning the import into the Community of tomato concentrates originating in Algeria

- concluding the Agreement between the European Economic Community and Turkey concerning the import into the Community of tomato concentrates originating in Turkey

(presented by the Commission to the Council)

COM(77) 479 final.

#### EXPLANATORY MEMORANDUM

The cooperation agreement and interim agreement currently in force between the European Economic Community and Algeria envisage a reduction/tariff applicable to tomato concentrates originating from this Algeria. This tariff reduction would only be applicable from the date and for a duration of time set out in an exchange of letters between the contracting parties each year to fix the conditions and methods of implementation of the reduction.

A similar measure is contained in Decision No 1/77 of the EEC-Turkey Council of Association as well as in article 12 of Council regulation (EEC) No 1180/77 of 17th May 1977 regarding the import into the Community of certain agricultural products originating from Turkey.

Since the validity of the exchange of letters covering the calendar year 1977 expires on the 31st December both in the case of Algeria and, in part, in the case of Turkey, and so that traditional import trade of the products in question are not disrupted, the Commission considers it opportune to renew the application of these measures.

With regard to the quantities to be fixed by the exchange of letters, the production and market conditions which led to the establishment of these quantities at 100 tonnes and 11.000 tonnes for Algeria and Turkey respectively do not appear to have undergone significant change and would thus allow the same quartities as fixed for 1977 to be maintained.

For these reasons, the Commission recommends the Council to adopt the proposals for regulations attached which envisage the conclusion of an exchange of letters envisaged in the above mentioned legislation.

<sup>(1)</sup> The interim agreement expires 31st December 1977. However, the Community intends to maintain its commercial relations with Algeria and therefore the terms in force for 1978 should not be less favourable than these fixed for 1977.
