MEMORANDUM

With Decisions 80/817/EEC as amended by Decision 81/391 and 80/818/EEC as amended by Decision 81/392/EEC, the Council declared that field inspections carried out in 23 third countries on seed-producing crops of certain species, together with the seed thereby produced satisfy the conditions laid down in the Community Directive.

For certain species, this declaration of equivalence also concerns Bulgaria and Hungary.

The present Decisions provide that the existing equivalence for Bulgaria and Hungary should be extended to further species.
