Brussels, 28 November 1978

Proposal for a  
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2327/78 laying down certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Spain, for the period 1 October to 31 December 1978

---

(submitted to the Council by the Commission)

COM(78) 656 final.

EXPLANATORY MEMORANDUM

1. The purpose of this draft proposal is to supplement the Regulation fixing the fishing rights of Spanish fishermen in the Community fishing zone from the period 1 October to 31 December 1978.
2. The implementation of this Regulation, with effect from the beginning of October, has given rise to difficulties as regards the replacement of the old autonomous arrangements by new arrangements, which are based on the Fisheries Agreement with Spain signed on 23 September.
3. Article 8 of the said Regulation was drafted with the intention of setting up a system of licences to facilitate control of catch quotas without affecting their actual size. Difficulties have arisen, however, over the dates fixed in Article 8 when licences issued by virtue of former Regulations are replaced and when fishing plans are drawn up taking the duration of the fishing trip into account.
4. Moreover, the Commission has so far not been in a position to refuse to issue licences for vessels in respect of which the obligations arising from the issue of a former licence have not been met.

PROPOSAL FOR COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2327/78 laying down certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Spain, for the period 1 October to 31 December 1978.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 103 thereof,

Having regard to the proposal from the Commission,

Whereas on 4 October 1978 the Council adopted Regulation (EEC) No 2327/78 laying down certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Spain, for the period 1 October to 31 December 1978(1);

Whereas when the said Regulation became operative transition to the new arrangements gave rise to difficulties, particularly as regards the drawing up of fishing plans for the Spanish ports concerned; whereas this should be remedied in such a way as will not affect the balance of the negotiated agreement;

Whereas provisions should be made to permit the temporary withholding of licences from vessels not observing the obligations arising from the arrangements laid down in Regulation (EEC) No 2327/78;

Whereas such measures must be taken without delay and it is therefore necessary to adopt them as interim measures on the basis of Article 103 of the Treaty, subject to their being included at a later date in the common agricultural policy,

HAS ADOPTED THIS REGULATION :
