

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(79) 689 final

Brussels, 27 November 1979

Proposal for a
COUNCIL REGULATION (EEC)
amending Regulation (EEC) No 1763/78 as regards the transfer of skimmed-milk
powder to the Italian intervention agency

(submitted to the Council by the Commission)

EXPLANATORY MEMORANDUM

Council Regulation (EEC) No 1763/78 provided for the transfer to the Italian intervention agency of 100,000 tonnes of skimmed-milk powder held by the other Member States' intervention agencies, which was intended for sale for feeding pigs and poultry in Italy. A first instalment of 40,000 tonnes has already been transferred under Commission Regulation (EEC) No 2821/78 and has now been disposed of.

On account of the market situation, individual sales of skimmed-milk powder for the pigmeat and poultrymeat sector by intervention agencies under Regulations (EEC) No 368/77 and 443/77 have been suspended by Commission Regulation (EEC) No 2307/79.

It is accordingly appropriate to make the necessary adaptations to Council Regulation (EEC) No 1763/78 and to restrict the use of skimmed-milk powder which has not yet been transferred to Italy to feeding calves.

Proposal for
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 1763/78 as regards the transfer of skimmed-milk powder to the Italian intervention agency

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organisation of the market in milk and milk products (1), as last amended by Regulation (EEC) No 1761/78 (2), and in particular Article 7(4) thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 1763/78 of 25 July 1978 (3), as amended by Regulation (EEC) No 1638/79 (4), provides that the skimmed-milk powder placed at the disposal of the Italian intervention agency by the intervention agencies of other Member States is to be sold for feeding pigs and poultry in Italy;

Whereas the state of the skimmed-milk powder market and the suspension of sales by intervention agencies of skimmed-milk powder for the pigmeat and poultry-meat sectors make it necessary to restrict the use of skimmed milk powder not yet transferred to Italy to feeding calves,

HAS ADOPTED THIS REGULATION:
