EXPLANATORY MEMORANDUM

The Commission adopted and transmitted to the Council on 18 February 1994 two proposals for rules for the participation of undertakings, research centres and universities in the RTD programmes, one proposal covering the EC programmes and the other covering the EAEC programmes, and a proposal for the rules for the dissemination of research results from the specific EC programmes. These proposals were included in a single document COM(94)12.

At the Plenary session on 5 May, the European Parliament has given its opinion on the proposals in accordance with paragraph 2 of Article 130 O and Article 189 C of the EC Treaty, and Article 7 of the EAEC Treaty.

The Commission has accepted the substance of these amendments. In accordance with the position taken by it before the European Parliament, and paragraph 2 of Articles 189 A of the EC Treaty and 119 of the EAEC Treaty, the Commission submits the following modified proposals relating to the participation and dissemination rules which were the subject of the opinion of the European Parliament on 5 May 1994.
