Constitution of the new STOA Panel

The Constituent Meeting of the new STOA Panel is taking place on 19 October 1999 in Brussels.

It has been postponed from the date originally foreseen, 16 September in Strasbourg. The meeting on 19 October is expected to elect the Chairman and Vice-Chairmen of the Panel, and to decide on possible new urgent projects.

The impact of technological change in information technology on the stability of world trade and international capital flows

The Interim Study by the University of Girona, Spain, is now ready.

New studies available on:

Marketing of medicines on the Internet; Agricultural and other technologies in the fight against hunger and poverty; Building regulations and energy saving; Sustainable use of pesticides; Development of surveillance technology

These and other (Draft) Final and Interim Studies will be delivered to the STOA Panel at its meeting on 19 October in Brussels.

Quality Management system

The first meeting of the group of Quality Management advisers took place in Brussels on 21 September 1999. They will advise STOA on the technical quality and presentation of studies executed under the 1999 Workplan.

FORTHCOMING CONFERENCES OF SPECIAL INTEREST

- The Evaluation Unit of the Directorate-General for Research of the European Commission (formerly DGXII) is helping to organise a Conference on 'The evaluation of the socio-economic impact of research and development' in Helsinki on the afternoon of Friday, 26 November and the morning and afternoon of Saturday, 27 November. The Conference is being jointly organised with the Finnish Technology Agency, TEKES.
- DGXII of the European Commission will be organising a Conference on the 'Ageing of European society' in the period late January to mid-February 2000. The exact dates remain to be arranged. The Conference is being jointly organised with the Parliamentary Office of Science and Technology (POST) which is STOA's opposite number at Westminster.

OTHER STOA INFORMATION

- STOA is sad that Marcelo SOSA-IUDICISSA, STOA's Projects Administrator based in Brussels, has had to leave the EP, for personal reasons. He will be greatly missed and we wish him a lot of success in his new job as Director at CommerceNet España. STOA hopes to find a new Projects Administrator soon.
- The following Ramón y Cajal Scholars and Visiting Researchers have also left the Team: Roberta ALANI, Peggy BECKER, Roberta CADDEO, Francisca CALDENTEY POZO, Timo MARSHALL and Marianne STABILLINI. We wish them all the best for the future.
- STOA is however glad that the following have joined the Team in Brussels:
 - Iriini KOROMPILIA, a Greek Visiting Researcher, a geologist with a degree in EU environmental policy;
 - Veronica RAFFO, an Argentinian Visiting Researcher, who is a lawyer with a degree in political sciences.

Please address your requests for any of the documents listed above to Mr Frans SCHAERLAEKEN by fax (+352-4300.22418) or e-mail (fschaerlaeken@europarl.eu.int).
