DOCUMENT 1-407/81

MOTION FOR A RESOLUTION

tabled by Mr MØLLER and Mr KIRK

for entry in the register

pursuant to Rule 49 of the Rules of Procedure

on an amendment to the rules governing travel allowances

PE 74.127

The European Parliament,

- whereas the persistent controversy in the mass media over Members' travel allowances is damaging the reputation of Parliament,
 - whereas this controversy is making it difficult for Parliament to play its full part in the Community's decision-making process by obscuring factual information on Parliament's work,
 - convinced that new rules basing travel allowances on the travelling expenses actually incurred could be drawn up without creating major administrative difficulties,
1. Instructs its Bureau to amend the present rules governing travel allowances so that in future these are based on the travelling expenses actually incurred.
