Letter from the committee chairman to Sir Henry PLUMB, chairman of the Committee on Agriculture

Subject: Proposal from the Commission of the European Communities to the Council for a regulation amending Regulation (EEC) No. 357/79 on statistical surveys of areas under vines (Doc. 1-588/81)

Dear Mr Chairman,

At its meeting of 9 December 1981 the Committee on Budgets considered the above proposal for a regulation.

The basic survey of Italy and Greece proposed by the Commission involves a total cost of around 3,485,000 ECU for 1982 and 1983. Having received further information from the Commission, concerning, in particular, the method of calculating the expected cost, the committee was able to approve the Commission's proposal unanimously.

Yours sincerely,

ERWIN LANGE
