EXPLANATORY STATEMENT

1. The urgency with which Parliament has been asked to consider this matter is justified by the fact that the Treaty of 22 July 1975 amending certain financial provisions of the Treaties establishing the European Communities has now been ratified by all the Member States, thus bringing into force the section relating to the setting up of the Court of Auditors of the Communities.
2. The Committee on Budgets approves the substance of the proposal, since it aims at having officials who are recruited by the Court of Auditors governed by the same staff regulations as all European officials.
