QUESTIONS TO THE COUNCIL OF THE EUROPEAN COMMUNITIES

1. Question by Mr BORDU (H-170/75)

Subject: Law restricting access to employment in the German Federal Republic

Does the Council consider the law passed by the Bundestag discriminating between citizens in regard to access to employment in the civil service in the German Federal Republic compatible with the EEC Treaty and the Final Act of the ECSC Treaty?

2. Question by Mr LEONARDI (H-172/75)

Subject : Reorganization of the Leyland - Innocenti multinational

How does the Council view the plan for the reorganization of the Leyland - Innocenti multinational, which in Italy has led to the threat of massive redundancies; and what measures, if any, does it intend to take ?

3. Question by Mr DYKES (H-174/75)

Subject : European Union

When does the Council expect that Mr Tindemans will present his report on European Union ?

QUESTION TIME

9. Question by Mr SCOTT-HOPKINS (H-158/75)

Subject : Trade with Malaysia

What steps are the Commission taking to restore the level of trade in pineapples from Malaysia to its pre-1973 level in view of the serious decline which has taken place since 1973, and what steps will be taken to ensure that total trade between the EEC and Malaysia will not decline from its 1974 level ?

10. Question by Lord GLADWYN (H-160/75)

Subject : Woollen manufacturing industry

The woollen and worsted Trades Federation of Bradford, England, complain of unsocial production methods and unfair marketing practices on the part of the woollen manufacturing industry of Prato, Tuscany.

Does the Commission consider that these complaints are wholly or partially justified and so, what course is, in its view, open to the Bradford Federation in order to obtain redress ?

11. Question by Mr COINTAT (H-162/75)

Subject: Milk powder stocks in the Community

Are not the stocks of some one million tons of milk powder in the Community partly the result of a certain negligence by the Commission in the proper management of stocks in accordance with a coherent commercial policy and partly a reflection of their unwillingness to dispose of these stocks in 1975 for extremely short-term budgetary reasons?

12. Question by Mr NOE' (H-163/75)

Subject: Nuclear fuel reprocessing

How does the Commission expect the problem of nuclear fuel reprocessing to be solved in the 1980's, since it appears that existing capacity will be insufficient to meet the demand when the programmes for building new nuclear power stations are implemented?

13. Question by Mr SPICER (H-167/75)

Subject : Dragon project

Can the Commission report on the current state of negotiations for the continuance of the dragon project ?

14. Question by Mr DONDELINGER (H-168/75)

Subject: Diplomatic isolation of the Chilean junta

Does the Commission not feel that it is high time for it to close its Information Office in Santiago now that the fascist junta ravaging that unfortunate country has had the audacity to perpetrate its criminal acts in the Italian capital?

15. Question by Mr ZELLER (H-171/75)

Subject: Second action programme on the environment (1976-1980)

When does the Commission expect to be able to submit its second action programme on the environment for the period 1976 - 1980 and in this connection, what specific measures does it propose putting forward to extend the durability of products offered to Community consumers with a view to combating the wastage of resources?

16. Question by Mr MARRAS (H-173/75)

Subject : Draft law of the Emilia-Romagna Region

Has the Commission received from the Italian Government the draft law of the Emilia-Romagna Region on the adaptation of Community directives on agricultural structures, and if so, what are its views on it?

17. Question by Mr COUSTÉ (H-177/75)

Subject: Crude oil from the Maghreb countries

Can the Commission tell us what arrangements are being considered, under the negotiations, for imports of crude oil and oil products from the Maghreb countries, Algeria in particular?
