ORAL QUESTION (0-50/75)

with debate, pursuant to Rule 46 of the Rules of Procedure

by Mr HOUGARDY

to the Council of the European Communities

Subject: Abandonment of the Dragon high temperature reactor project

1. Can the Council explain why the Member States abandoned this project and also why they turned down the compromise put forward by the Commission?
2. Could the Council let us know the precise extent of the research carried out to date and what had been planned for the longer term?
3. Can the Council tell us how it intends to make practical use of this research?
