ORAL QUESTION (0-38/74)

with debate, pursuant to Rule 47 of the Rules of Procedure  
by Mr HOUGARDY

on behalf of the Liberal and Allies Group  
to the Commission of the European Communities

Subject: Energy research programme

At the European Parliament sitting of 12 July 1974, the Commission announced proposals on energy research in the Community. Can the Commission clarify its proposals on the energy research programme, and, in particular, define its position on the following questions?

1. What essential energy research projects are at present being carried out in the Community?
2. What energy research projects are to be encouraged and given priority in the future?
3. What financial ceiling is necessary for energy research to produce satisfactory results?
4. What structure does the Commission contemplate for the implementation of its programme?
