to the Commission of the European Communities

Subject: Association with Cyprus

We ask the Commission of the European Communities:

1. Will the Commission make an immediate, comprehensive and positive response to the Cypriot Government's request in August 1974 for aid to homeless persons in Cyprus? If so, in what form and how quickly can such aid be given?
2. In view of its position on the Council of the EEC - Cyprus Association, is the Commission prepared, after consultation with the Council to enable the Community and the Cypriot Government to consider jointly the political problems affecting the implementation of the EEC - Cyprus Association Agreement and to put forward solutions?
3. Can the Commission see any other possible ways of contributing to a peaceful solution of the problems in Cyprus?
