with debate, pursuant to Rule 47 of the Rules of Procedure

by Mr SCOTT-HOPKINS

on behalf of the European Conservative Group  
to the Commission of the European Communities

Subject: Economic position of egg producers in the  
Community

In view of the severe damage presently being suffered by the Egg Producing Industry in the United Kingdom, where the market is being undermined by imports from the EEC countries at prices below cost of production, will the Commission take immediate steps to safeguard the economic position of egg producers in the Community?
