PROPOSAL FOR A COUNCIL DECISION

AUTHORIZING THE EXTENSION OR AUTOMATIC RENEWAL OF

CERTAIN TRADE AGREEMENTS CONCLUDED BETWEEN

MEMBER STATES AND THIRD COUNTRIES

(submitted to the Council by the Commission)

EXPLANATORY MEMORANDUM

1. In implementation of Article 3 of the Council Decision of 16
December 1969 (1) on the progressive standardization of agreements
concerning commercial relations between Member States and third countries
and on negotiation of Community agreements, the Commission proposes to
the Council that the Member States should be authorized to extend, expressly
or tacitly, the trade agreements annexed to the attached proposal for a
Council decision. The agreements in question constitute the first batch
for 1980 and expire or are due to be terminated between 1 February and
30 April 1980.

The prior consultation specified in Article 2 of this Decision was executed by written procedure. The outcome was the recognition on 18 October 1979 that the conditions under which the agreements could be extended for a further year had been fulfilled.

The trade Agreements and Protocols between certain Member States and Greece listed in the Annex hereto may be extended or tacitly renewed for a period ending on the date of entry into force of the Treaty concerning the accession of Greece to the European Economic Community or until to the dates specified in each case in the said Annex.

2. The Commission considers it appropriate to point out, moreover, that the proposals for authorizing the Member States to renew or extend, expressly or tacitly, certain agreements in this batch for a further one-year period are by no means indicative of any position it might adopt next time these agreements come up for renewal.

Proposal for a COUNCIL DECISION

authorizing the extension or automatic renewal of certain trade agreements concluded between Member States and third countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to ____Council Decision 69/494/EEC of 16 December 1969 on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on the negotiation of Community agreements (1), and in particular Article 3 thereof,

Having regard to the proposal from the Commission;

Whereas extension or automatic renewal beyond the end of the transitional period was last authorized, in the case of the agreements and rotocols listed in the Annex by Council Decision 79/171/EEC (2);

Whereas the Member States concerned have requested authorization to extend or renew those Agreements in order to avoid interrupting their commercial relations, based on agreements with the third countries concerned;

Whereas authorization is required only for the maintenance of trade relations between the Member States and the third countries concerned, based on agreements, only pending their replacement by Community agreements to be negotiated, and whereas such authorization does not, therefore, in any way modif the obligation on the part of the Member States to avoid and, where appropriate, eliminate any incompatibility between such agreements and the provisions of Community law;

⁽¹⁾ OJ No L 326, 29.12.1969, p. 39

⁽²⁾ OJ No L 37, 13.02.1979, p. 31.

Whereas furthermore, the provisions of the agreements to be extended or renewed should not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have declared that the extension or automatic renewal of those agreements would prevent neither the opening of Community negotiations with the third countries concerned nor the transfer of the commercial fabric of such agreements to Community agreements, nor would it, during the period envisaged, hinder the adoption of the measures necessary to complete the standardization of the import systems of the Member States;

Whereas, at the conclusion of the consultations provided for in Article 2 of Decision 69/494/EEC it was established, as the aforesaid declarations by the Member States confirm, that the provisions of the agreements to be extended or renewed would not, during the period envisaged, constitute an obstacle to the implementation of the common commercial policy;

Whereas, in these circumstances, the Agreements may be either extended or automatically renewed for a limited period;

HAS ADOPTED THIS DECISION:

Article 1

- 1. The trade agreements and protocols listed in the Annex hereto between Member States and third countries may be extended or automatically renewed up to the dates specified in each case in the said Annex.
- 2. The trade agreements and protocols between certain Member States and Greece listed in the Annex hereto may be extended or automatically renewed for a period ending on the date of entry into force of the Treaty concerning the accession of Greece to the European Economic Community or at the latest until the dates specified in each case in the said Annex.

Article 2

This Decision is addressed to the Member States.
