COM(79) 593 final

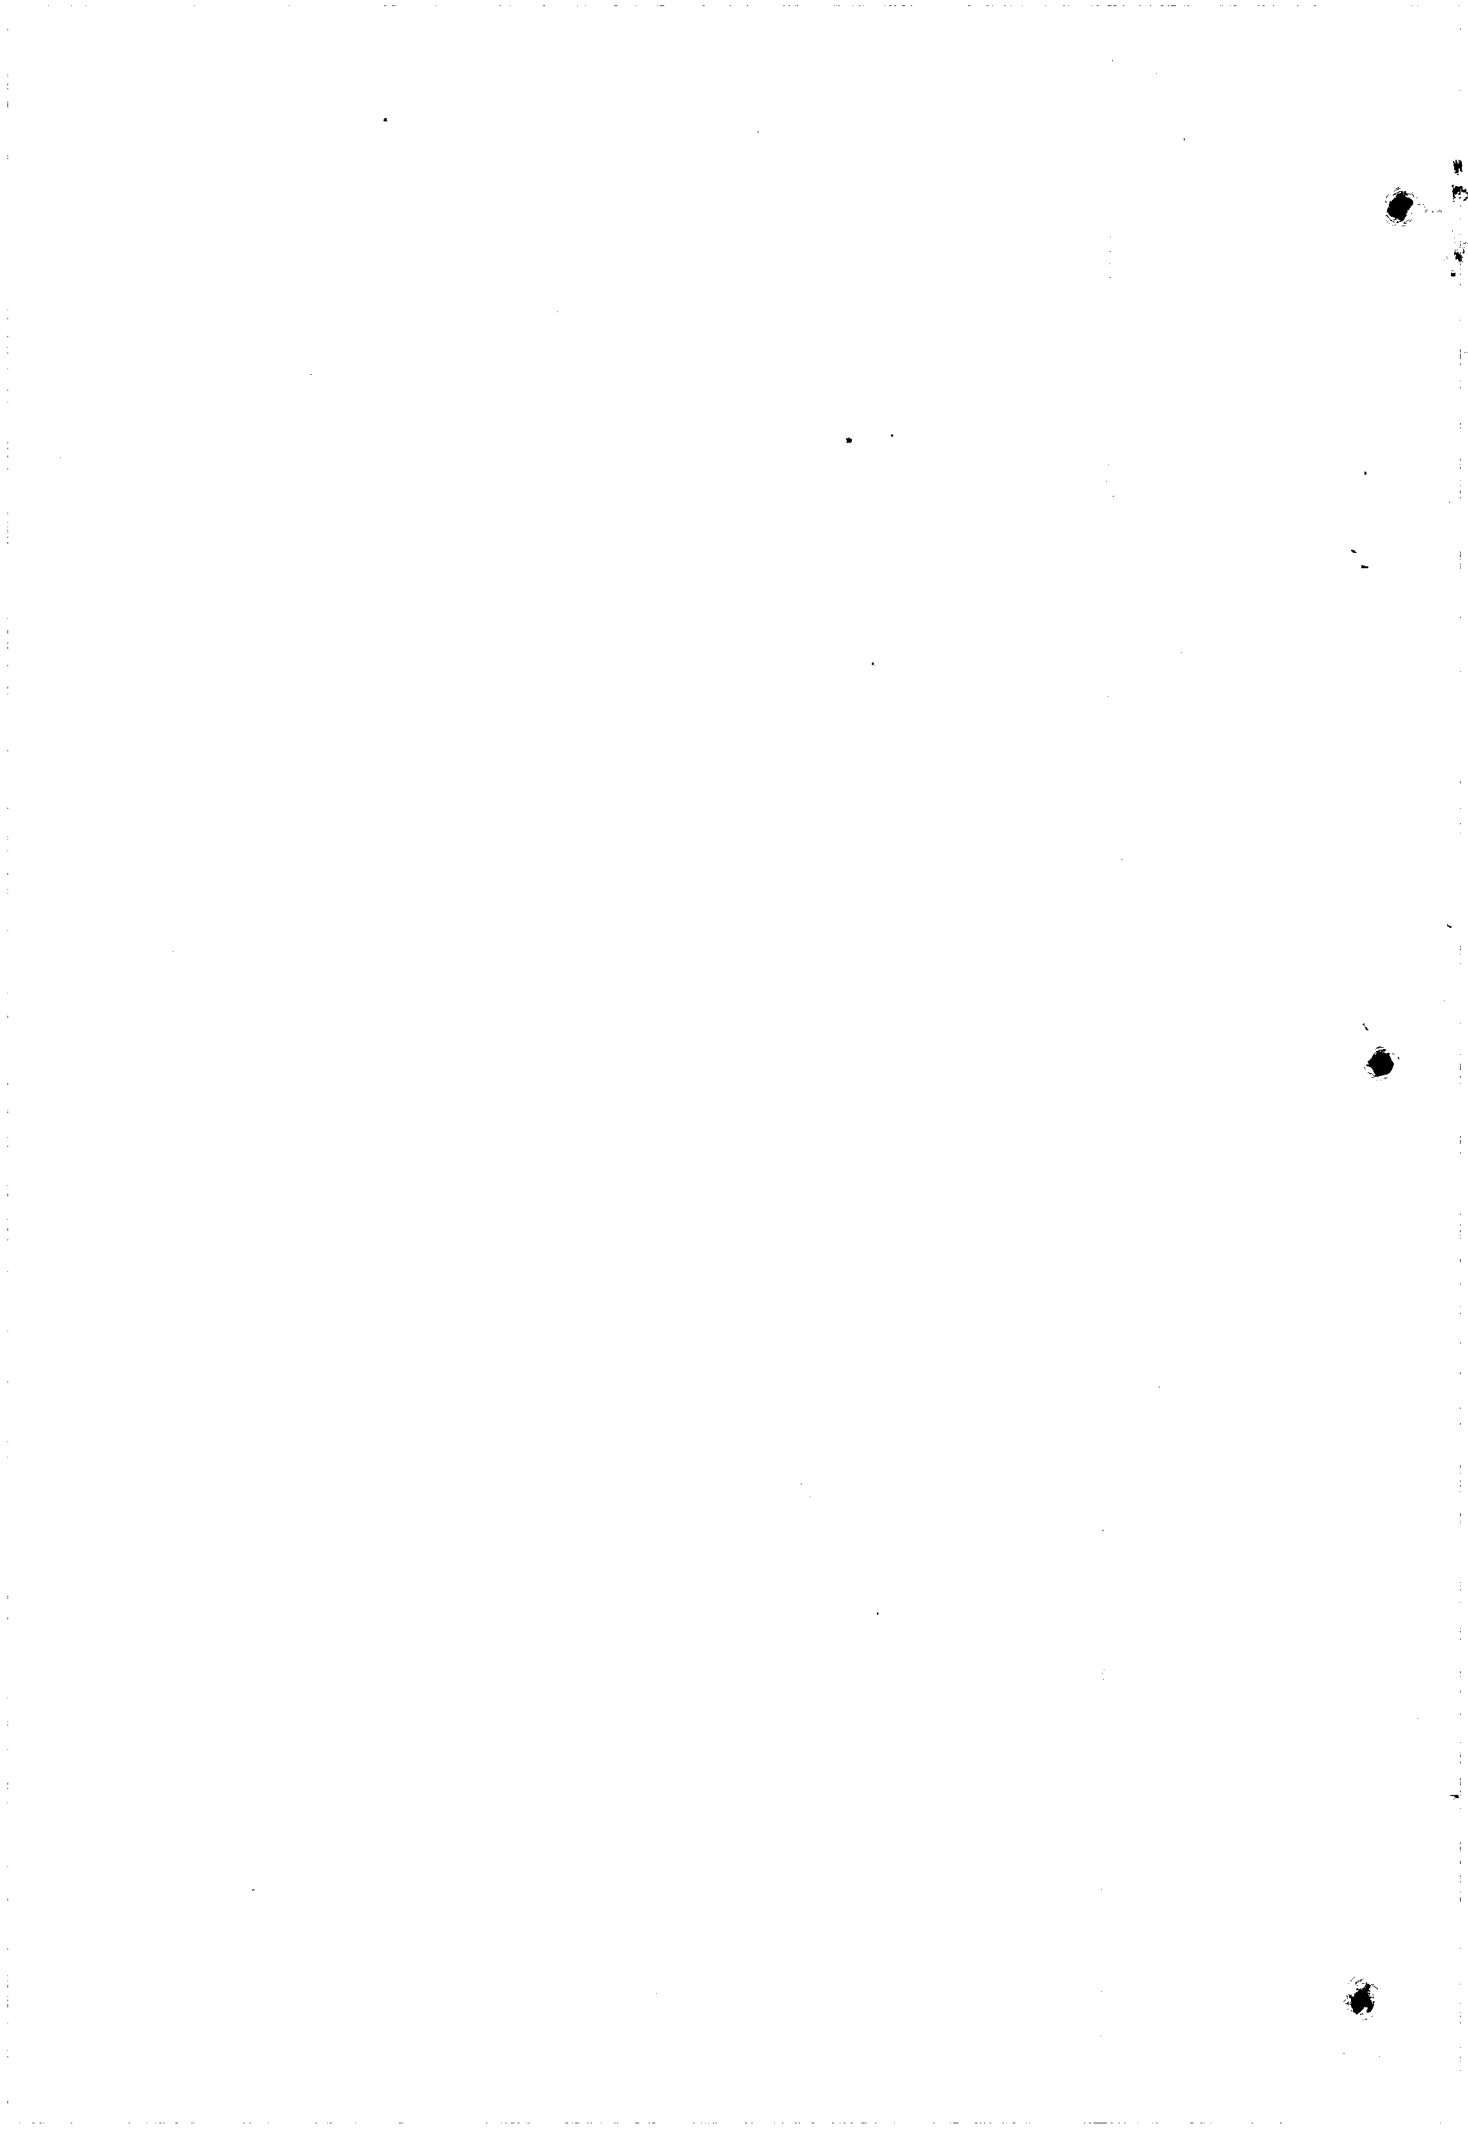

Brussels, 5 November 1979

PROPOSAL FOR COUNCIL REGULATION (EEC)
extending the period of validity of Regulation (EEC) No 2862/77 on
levies applicable to imports of certain adult bovine animals and beef
from Yugoslavia.

(presented by the Commission to the Council)

COM(79) 593 final

EXPLANATORY MEMORANDUM

=====

1. On 19 December 1977 the Council adopted special arrangements applicable to imports of certain bovine animals and beef from Yugoslavia (Council Regulation (EEC) N°2862/77).
2. These arrangements are applicable until the new EEC/Yugoslavia Cooperation Agreement, now being negotiated, enters into force, but until 31 December 1979 at the latest.
3. The state of the negotiations for the new agreement is such that it is not clear whether it can actually be brought into force before that date.
4. Given this uncertainty and the fact that the reasons underlying the decision to introduce a special system for Yugoslavia continue to apply, the special arrangements should be extended until the entry into force of the new agreement and until 30 June 1980 at the latest.
5. The Commission is also proposing to maintain until 30 June 1980 the suspension at 70 % of the levy on imports from Yugoslavia of up to 12 000 head per quarter of young male bovine animals of 220 to 300 kg intended for fattening, if the balance sheet to be adopted by the Council, makes it possible.
