

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(76) 315 final.

Brussels, 22 June 1976.

Proposal for a

COUNCIL (EEC) REGULATION

extending for the fifth time the system of
partial and temporary suspension of Common Customs
duties applicable to wines originating in and coming
from Turkey provided for in Regulation (EEC) No 2823/71

(presented by the Commission to the Council)

EXPLANATORY MEMORANDUM.

Council Regulation (EEC) No 2823/71 partially suspending for a limited period of time the Common Customs tariff applicable upon wine originating in and coming from Morocco, Tunisia and Turkey (1) was made by the Council, prior to the definitive regime, to avoid a disruption of exports of wine of these countries to the Community and without harming Community wine producers.

This Regulation, modified by Council Regulation (EEC) No 2916/75 is only valid until the implementation of a definitive tariff system for the products in question, or until 31 August 1976, whichever shall be the earlier. The relevant definitive regime has already been established for Algeria, Morocco and Tunisia. For Turkey the Community proposal must still be agreed upon with Turkey and it is possible that even if this agreement is realised before 1st September 1976 the necessary technical steps between the decision being taken and its entry into force would not allow application by this date. The Commission therefore suggests that the Council extends the period of validity of this regime concerning Turkey until 31 August 1977 at the latest, by adopting this proposed regulation. This regulation would cease to apply once the definitive regime entered into force.

(1) A similar regime is in force for the importations of Algerian wine (Regulation (EEC) No 2313/71)

Proposal for a
COUNCIL (EEC) No /76 REGULATION
of

extending for the fifth time the system of partial and temporary suspension
of Common Customs duties applicable to wines originating in and coming from
Turkey provided for in Regulation (EEC) No 2823/71

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and
in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the Opinion of the European Parliament,

Whereas Council Regulation (EEC) No 2823/71 of 20 December 1971 (1), as last
extended by Regulation (EEC) No 2916/75 (2), pending the adoption of a defi-
nitive system established a provisional system for the importation of wines
originating and coming from inter alia Turkey into the Community; whereas
since the definitive system has not yet been adopted for Turkey, the pro-
visional system must be extended on the same conditions as those on which
it was set up, so as to avoid any interruption which might harm wine exports
from that country to the Community; whereas the period of validity of this
provisional system must end on the date when the definitive system is
implemented or on 31 August 1977, whichever shall be the earlier,

(1) O.J. No L 285 of 29.12.1971, p. 51
(2) O.J. No L 290 of 8.11.1975, p. 1

HAS ADOPTED THIS REGULATION:

Article 1

1. The customs duties on imports into the Community of wine of fresh grapes falling within subheading No ex 22.05 of the Common Customs Tariff, originating in and coming from Turkey, shall amount to 60 % of the Common Customs Tariff duties applicable on the date of importation.

2. Paragraph 1 shall apply only if the conditions set out in the second subparagraph of Article 9(3) of Regulation (EEC) No 816/70 are satisfied.

However, when applying the above subparagraph, the customs duties applied under paragraph 1 shall be substituted for those shown in the Common Customs Tariff.

Article 2

This Regulation shall enter into force on 1 September 1976.

It shall be applicable until the implementation for Turkey of a definitive tariff system for the products in question, or until 31 August 1977, whichever shall be the earlier.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
