DOCUMENT 342/76

MOTION FOR A RESOLUTION

tabled by Mr Luigi NOE'

on behalf of the Committee on Regional Policy, Regional Planning and Transport

with request for debate by urgent procedure pursuant to Rule 14 of the Rules of Procedure

on the Friuli earthquake

The European Parliament,

1. Having regard to the report drawn up by Lord Bessborough, who, in May 1976, visited the areas of Friuli devastated by the earthquake;
2. Having regard to the unanimous declaration of support for the victims made by all the political groups during the debate at the plenary sitting of the European Parliament on 14 June 1976;
3. Mindful of the further deaths and the enormous damage brought about by the recent earthquakes in Friuli, already hard hit by repeated shock waves;
4. Having noted the appeal by the Committee on Budgets on 24 September 1976 for urgent material help for the victims of the recent earthquake in Friuli;
5. Considering that the most urgent problem for those affected, especially in view of the approaching winter, is that of housing;
6. Appeals urgently to all the Member States to make available as soon as possible to the inhabitants remaining in Friuli a sufficient number of mobile or prefabricated homes;
7. Instructs its President to forward this resolution to the Council and Commission of the European Communities and to the Governments of the Member States.

The Committee on Regional Policy, Regional Planning and Transport approved this motion for a resolution at its meeting of 30 September/1 October 1976. Present: Mr Evans, chairman; Mr Meintz, vice-chairman; Mr McDonald, vice-chairman; Mr Albers, Mr De Clercq, Mr Delmotte, Mr Ellis, Mr Giraud, Mr Mitterdorfer, Mr Mursch and Mr Noe'.
