

COMMISSION OF THE EUROPEAN COMMUNITIES

COM(75) 155 final

Brussels, 7 April 1975

Proposal for a
REGULATION (EEC) OF THE COUNCIL

amending Regulation No 1052/68 on the import and export system for
products processed from cereals and rice

(submitted by the Commission to the Council)

COM(75) 155 final

MEMORANDUM

In order to avoid the real danger of large scale exchanges of export certificates for malt, and the consequent hindrance to effective market management and grave risk to FEOGA finances, it is proposed to amend Regulation No 1052/68 so as to permit the fixing of corrective amounts for this product.

Corrective amounts may be fixed as present for basic grains and for certain flours and meals. They enable adjustments to be made to advance fixed export restitutions and can be in the form of deductions or additions.

The proposed amendment to Regulation No 1052/68 apart from introducing a phrase to define malt follows exactly the amendment made to Council Regulation No 139/67 by Council Regulation No 1997/74 whereby the application of corrective amounts was introduced for flours groats and meals.

Proposal for a
REGULATION (EEC) OF THE COUNCIL

amending Regulation (EEC) N° 1052/68 on the import and export
system for products processed from cereals and rice

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community;

Having regard to Council Regulation No 120/67/EEC ¹⁾ of 13 June 1967 on the common organisation of the market in cereals, as last amended by Regulation (EEC) No 85/75 ²⁾, and in particular Article 16 (5) thereof;

Having regard to the proposal from the Commission;

Whereas Article 16 (4) of Regulation No 120/67/EEC provides for the possibility of applying wholly or in part the provisions governing the advance fixing of export refunds to processed products based on cereals; whereas for these products this has been introduced in part by Article 7 of Council Regulation (EEC) N° 1052/68 ⁽³⁾ of 23 July 1968 on the import and export system for products processed from cereals and rice; whereas to allow a more effective management of the market the possibility of adjusting the refund by the application of a corrective amount should also be introduced for malt;

HAS ADOPTED THIS REGULATION:

Article 1

Article 7 of Regulation (EEC) No 1052/68 shall be completed by the addition of the following sub-paragraph:

"For malt falling within heading 11.07 of the Common Customs Tariff a corrective amount may be fixed. It shall be applied to the refund where this is fixed in advance. The corrective amount shall be fixed at the same time as the refund according to the same procedure; however, when necessary, the Commission, following a request from a Member State or on its own initiative, may modify the corrective amounts in the interval."
