COM(83) 8 final.

Brussels, 18 January 1983

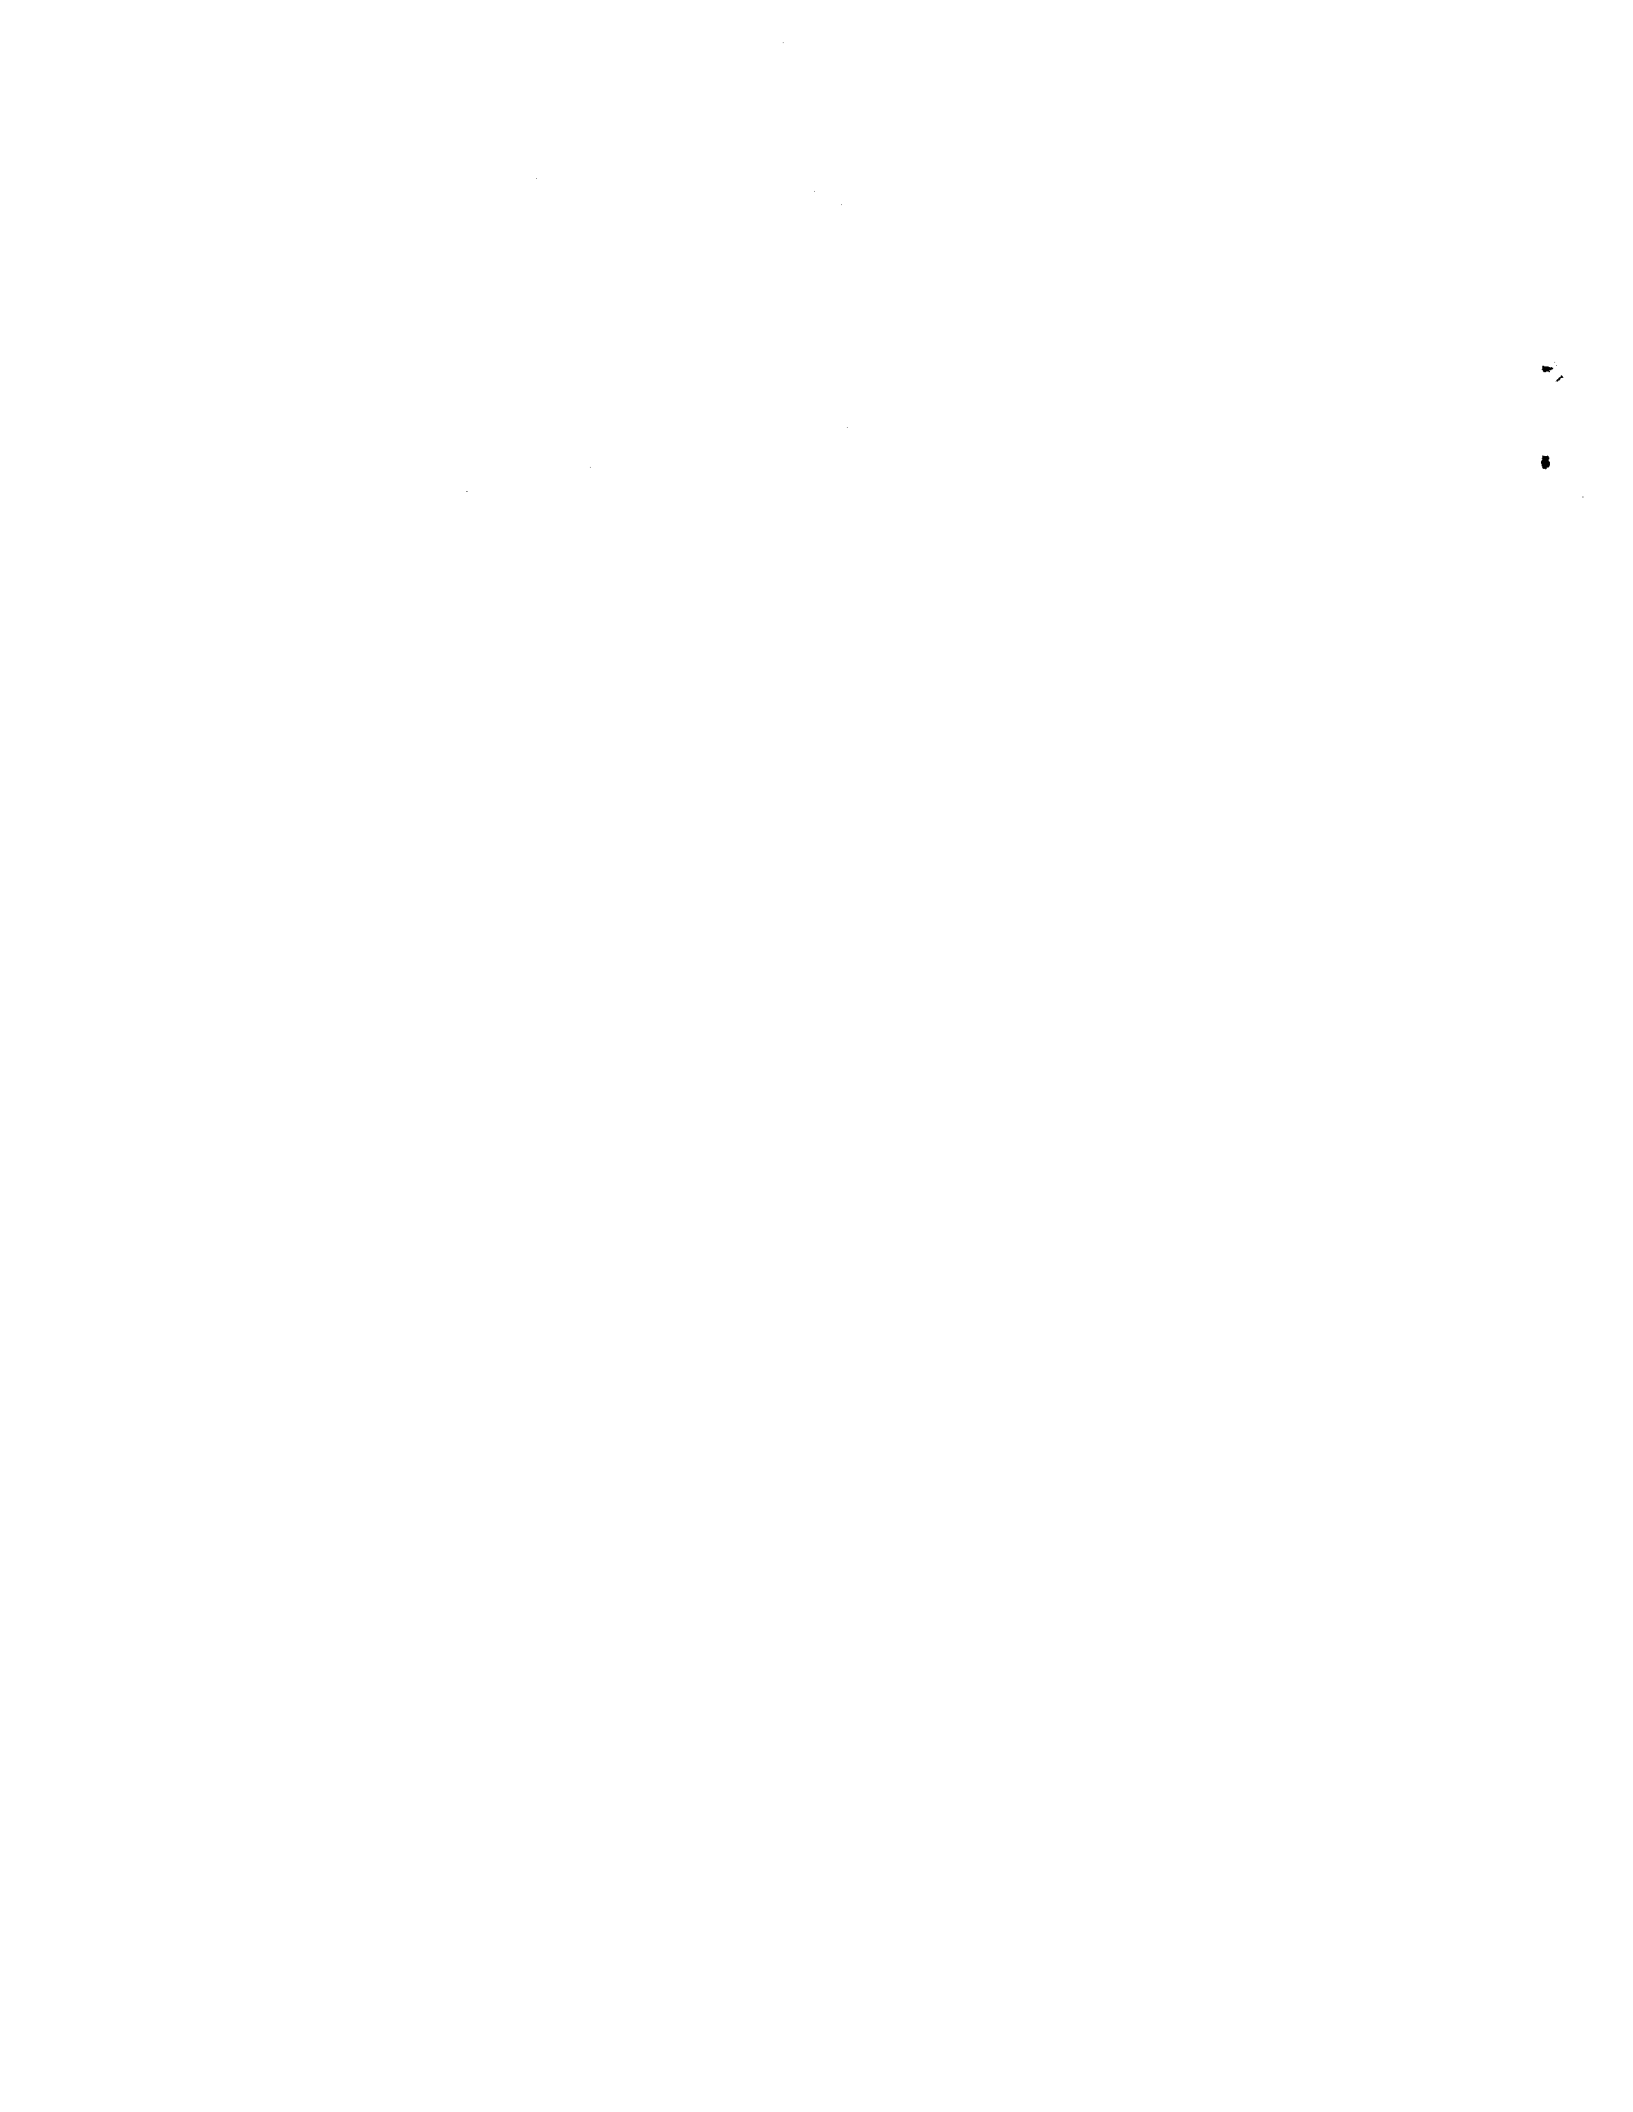

Proposal for

COUNCIL REGULATION (EEC)

amending Regulation (EEC) N° 1883/78 laying down general rules for the financing of interventions by the European Agricultural Guidance and Guarantee Fund (EAGGF), Guarantee Section.

(submitted to the Council by the Commission)

COM(83) 8 final.

EXPLANATORY MEMORANDUM

1. Article 3 of Regulation (EEC) No 729/70 made provision for the Council to lay down general rules for the financing of interventions by the Guarantee Section of the EAGGF. The Council accordingly listed the measures corresponding to the concept of intervention intended to stabilize the agricultural markets in the Annex to Regulation (EEC) No 1883/78.

2. Since the adoption of the above Regulation its Annex has been amended four times, by Regulations (EEC) No 1030/79 of 24 May 1979, No 249/80 of 29 January 1980, No 1303/81 of 12 May 1981 and No 1262/82 of 17 May 1982. In view of the fact that a number of new measures have been adopted and certain existing measures have been extended or repealed a further updating is now necessary.

3. It should be noted that the former Annexes continue to apply in the case of measures which do not appear in the new Annex but in respect of which it is possible that expenditure is still being incurred.

4. The attached proposal for a Regulation does not create any new category of expenditure.
