Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 458/80 on collective projects for the
restructuring of vineyards

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,
and in particular Article 43 thereof,

Having regard to the proposal from the Commission¹,

Having regard to the opinion of the European Parliament²,

Having regard to the opinion of the Economic and Social Committee³,

Whereas Council Regulation (EEC) No 458/80 of 18 February 1980⁴, as
amended by Regulation (EEC) No 2991/81⁵, initiated a common measure in
certain vineyards producing table wines and in those suitable for the
production of quality wines psr which takes the form of a premium
granted for the restructuring of vineyards; whereas the amount of the
premium is identical regardless of whether the vineyards produce table
wines or quality wines psr; whereas there is no breakdown of surface
area between the two categories of vineyard;

Whereas Regulation (EEC) No 458/80 must have an impact on the structural
situation of vineyards producing table wines as well as on that of
vineyards producing quality wines psr; whereas priority must, however,
be given to vineyards producing table wines; whereas efforts must
therefore be made to ensure that vineyards producing quality wines psr
are not the main beneficiaries of the measure; whereas Regulation (EEC)
No 458/80 should accordingly be amended in order to introduce a
breakdown between vineyards producing table wines and those producing
quality wines psr;
