### The European Parliament

- having regard to the resolution adopted by the Ministers of Education meeting within the Council on 6 June 1974<sup>1</sup>,
1. Notes that it was not possible for the meeting of Ministers of Education of the Member States to take place in June 1975;
  2. Notes, moreover, that despite the intensive efforts of the Commission of the European Communities, the Education Committee has so far been unable to reach a consensus on the institutional aspects of the Community's activity in the field of education;
  3. Requests the Commission to provide further information on this matter;
  4. Takes the view that the seven priority spheres of action laid down by the Ministers of Education are indeed matters for the Community as a whole;
  5. Feels therefore that these matters must be the concern of the Ministers of Education meeting within the Council of the European Communities;
  6. Instructs its President to forward this resolution to the Council and Commission of the European Communities and to the governments and parliaments of the Member States.
