### Report

drawn up on behalf of the Committee on Agriculture

on the proposal from the Commission of the European Communities to the  
Council (doc. 375/73) for a Regulation supplementing Regulation (EEC)  
No 2142/70 as regards the import system for carp and trout

Rapporteur: Mr R. HOUDET  
Chairman of the Committee

By letter of 15 February 1974 the President of the Council of the European Communities requested the European Parliament, pursuant to Article 43 of the EEC Treaty, to deliver an opinion on the proposal from the Commission of the European Communities to the Council for a regulation (EEC) of the Council supplementing Regulation (EEC) No. 2142/70 as regards the treatment to be applied to imports of carp and trout.

The President of the European Parliament in Plenary Session referred this proposal to the Committee on Agriculture with the request that it be examined to determine whether the simplified procedure for a consultation could be applied.

On 28 February 1974 the Committee on Agriculture agreed to its President's proposal that the simplified procedure should be applied.

During the fourteen days that followed no objections to this proposal for the application of the simplified procedure were received. The President of the Committee on Agriculture, considered therefore to be automatically appointed rapporteur, drew up the following report.
