ORAL QUESTION (0-28/74)

with debate pursuant to Rule 47 of the Rules
of Procedure

by Mr DURIEUX

on behalf of the Liberal and Allies Group
to the Commission of the European Communities

Subject: Contacts between the EEC and the
Arab countries

In view of the fact that the EEC Foreign Ministers
have decided to establish contacts between the
European Economic Community and the Arab countries,
what role has been assigned to the Commission in
these discussions?

If negotiations are opened, does the Commission
intend to lead them or would it agree to attend
simply as an interested third party with a fairly
well-defined role?
